- Closures from sewage spills are included as posting days. A sewage spill that resulted in multiple beach closures is listed as one beach posting event.
- Beach Posting Days do not include 365 days each year for the perennial closure at Children's Pool due to seal fecal contamination.
- A General Advisory is a public notice issued by the County of San Diego Department of Environmental Health informing beachgoers that swimming and bathing in the ocean and enclosed bays and estuaries should be avoided for 72 hours following a rainstorm. General Advisory days are not included in Beach Posting Days.
